

I went to the bathroom to cry

I went to the bathroom to cry  
Expect you to knock on my door  
But all I could hear was a tear hit the bathroom floor

I locked myself in for the day  
And I heard u klick on the TV  
And you took a pee in the kitchen sink and washed it away

You poured yourself a cup of tea  
But you did not ask me  
If I wanted one too  
So I took the cup from you

I went to the movies to sleep  
Thought u'd wake me up before u go  
And then I woke up in the middle of another show

I went to the bathroom to cry  
Expect u to to knock on my door  
But all I could hear was a tear hit the bathroom floor
