

I am waiting for June

Houston, I'm losing my connection
I've been up all night to reconfigure
My personal settings

Yeah, I've been busy
Please cut me out till later
I can't leave my post here
And I can't do anything

I'm sorry
I just can't seem to focus
Cause I am waiting for June
Listen,
I find it hard to concentrate
Cause I am waiting for June

Don't worry
I tell you it's nothing
Please don't be upset now
And don't count on me

I'll soon be ok
Just got a thousand things to do
Things I can't put off
But it won't be taking forever

I'm sorry
but I'm not gonna make it
Cause I am waiting for June
Listen,
I find it hard to socialize
Cause I am waiting for June
