

## Sugarfree Baby

Some like it loud  
Some like it silent  
Some like it like pink bubble gum  
Some like trident

But I want you near me  
You smell like home sweet home

No additional flavour  
Low on calories  
And if u taste bitter  
I'll sweet u up with strawberries

I want u near me  
Whatever was and

Maybe  
You're sweet in a natural way  
Be my sugarfree sugarbaby  
And if I asked u to stay by me  
Would u be my sugarfree baby

Wash off your perfume  
An your hydra-balance face mask  
Wipe off your lipp gloss  
If I may ask

U don't have to cheat  
Your kisses are sweet

Anyway  
Be sweet in a natural way  
Be my sugarfree sugarbaby  
And if I asked u to stay by me  
Would u be my sugarfree baby

My sugarfree baby
