

## Coconut Eyes

Out of my rainbow I'm watching the Day go  
It's all supersize Thru coconut eyes

Out of my braindough I'm hearing my hair grow  
White as a sheet It soon needs a treat

So would u wanna be Here with me  
And play Jenga I let u win I kick it in I kick it in

Call me a Saint Call me a Saint I know that I aint Call me a Saint Call me a  
Saint  
I know that I aiiiint

Up in the blue sky I'm known as a nice guy  
Feeding the birds With breadcrumbs and words

Watching the birds play Remembered your birthday  
And dropped u a line Hope you're doing fine

So would u wanna fly  
Up to me  
On the back of a bumblebee  
And I let u in  
I let u in  
I let u in  
Call me a Saint  
Call me a Saint  
U know that I aint  
Call me a Saint  
Call me a Saint  
U know that I aint  
Call me a Saint  
Call me a Saint

I know that I aiiiint

Call me a Saint  
Call me a Saint  
I know that I aint
